

CS SERIES

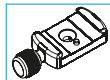

Ball heads – Entry level in three colours – Small, smart, trendy

The SIRUI CS ball heads work very precisely and smoothly. The small heads are ideal for beginners with compact system cameras.

Head assembly with **3/8"** thread.
Full **metal** knurled knobs for better usability.

Safety lock system with **security pin**
– prevents slipping of the plate.

TY-C10 quick release plate with rubberised finish – **3 long slots** for individual placement.
Arca Swiss compatible.

- Perfect suitable for **system-** and **compact cameras**
- Available in colourfull **red**, **blue** and **black** aluminium
- Plate with **1/4"** steel screw – head assembly with **3/8"** thread
- **360° panorama function** with scale [5° steps]
- Arca Swiss compatible, **90° portrait notch**, neoprene carrying bag

simply better.
