

# T05X SERIES TRAVELER ULTRALIGHT

Travel tripods with head C-10S – colourful and extrem compact

- Small and ultra lightweight travel tripods with ball head
- Available in aluminium (red, blue, black) or in carbon fibre
- Foam rubber leg wraps, stabilising carabiner, bag

The **legs** can be fully folded up from **0-180°**, reducing the size and completely enclosing the head.

Three solid ratchet steps allow flexible use.

Detachable head support plate with mounting **screw** quickly switches from **1/4"** to **3/8"**.

The telescoping **centre column** can be extended to 15cm. It can be removed and the head mounted directly onto the tripod legs as necessary.

The tripods are stable and will not slip on **rubber feet**.

Sealed **twist locks** with rubber for grip. Just half a turn and the legs will start to descend. The locks can be disassembled for maintenance.

- Carbon
- Aluminium

simply compact.
